

An aerial photograph of a dramatic coastal landscape. In the foreground, a vibrant turquoise ocean meets a narrow, light-colored beach. Behind the beach, a series of steep, rugged cliffs rise, their surfaces a mix of deep green vegetation and reddish-brown earth. The cliffs are characterized by sharp, jagged peaks and deep, shadowed gullies. In the background, a massive, forested mountain range stretches across the horizon under a bright blue sky with scattered white clouds. The overall scene conveys a sense of natural beauty and wilderness.
